

GOVERNOR ARNOLD SCHWARZENEGGER

June 7, 2016

Dear Michelle, Wayne, and Francé,

Thank you for making the first-ever Arnold Classic Africa an unquestionable success.

From the accommodations, to the food, to the safari experience, to the expo, to the competition, to... I could go on and on all day. But rest assured, everything was flawless. It was a massive success, and I know you and your team worked day and night for months and months to make it possible. You should be very, very proud. I am proud of you.

I also want to say that it's fantastic to see a family that works together and has a good time together like you guys. It is so refreshing to see how all of you pitched in, from the small tasks to the huge ones.

Thanks again for everything. I can't wait to see all of you soon. Now that you have some time off, come visit!

Love,
